7.1.10 - Report on the student attributes facilitated by the Institution

"Nurturing Intellect and Creating Personalities" serves as the guiding tagline for the learners of R. A. Podar College of Commerce & Economics (Autonomous), encapsulating its commitment to fostering academic excellence and holistic development. At R. A. Podar College, we believe in not only cultivating the intellect of our students through rigorous academic programs but also in nurturing their individuality and character. Through a comprehensive educational approach that emphasizes critical thinking, creativity, and practical skills, we aim to empower students to become well-rounded individuals capable of making meaningful contributions to society.

Our tagline reflects our dedication to providing a nurturing environment where intellectual growth and personal development go hand in hand, preparing our students to excel academically and thrive in all aspects of life.

R. A. Podar College of Commerce & Economics (Autonomous) believes in providing education that helps students become socially aware and responsible citizens. Our college mission, '**Nahi gnyaanen sadrasham pavitramiha vidyate**'. (There is nothing in this universe as pure as knowledge) inspires students to reach their full potential and encourages them to push their limits in an environment that supports freedom of thought and expression.

Our vision '**Samaani va aakooti samaanaa hridayaani vaha**' (one in mind and one in heart) offers a well-rounded education that prepares future leaders to be innovative in their professional skills, balanced in their personal lives, and inclusive in their contributions to society. Through various activities such as lectures, discussions, projects, and creative assessments, we encourage students to think critically, independently, and creatively. We also ensure that our curriculum reflects the latest industry developments and encourages students to apply their knowledge to real-world situations.

Our Knowledge Center provides access to the latest technologies and skills, while our Entrepreneurship Cell helps students develop their entrepreneurial abilities.

Our Counseling Center focuses on building emotional, interpersonal, social, and spiritual intelligence among students. We also organize panel discussions, debates, and seminars to foster appreciation for diversity in society. Environmental initiatives such as tree plantation drives and beach clean-ups raise awareness about the importance of protecting the environment.

Podar : Nurturing Intellect, Creating Personalities.

Our college flagship events like FINAAC, TEDx R.A Podar, Moneta etc and also some cultural events like Enigma, RAPPORT and Hruturang , provide platforms for students to showcase their talents, develop confidence, and enhance their leadership skills. R. A. Podar College of Commerce & Economics (Autonomous) provides an enriching atmosphere that nurtures various student attributes.

In addition to academic and cultural activities, R. A. Podar College of Commerce & Economics (Autonomous) also emphasizes the importance of sports events in the holistic development of students. Participating in sports not only promotes physical fitness but also instills valuable life skills such as teamwork, discipline, resilience, and sportsmanship.

Our college encourages students to engage in a variety of sports activities, ranging from traditional games like cricket, football, and basketball to niche sports like table tennis, badminton, and athletics.

Through intercollegiate competitions, and sports festivals, students have the opportunity to showcase their athletic talents, build friendship with peers, and learn important lessons about leadership and cooperation. These sporting events play a significant role in shaping well-rounded individuals who are not only academically proficient but also physically fit and socially adept, ready to face the challenges of the world beyond the college walls.
