### **7.1.7- Sensitization and awareness activities regarding differently abled learners**

#### **Active Inclusive Cell**

Inclusive education is an approach where students with special needs attend college along with neuro-typical students. Students with physical and/ or developmental challenges like Blindness or Other Visual Impairments, Deafness and Other Hearing Impairments, Orthopedic Impairments, Cerebral Palsy, Learning Disabilities, Dyslexia, Autism, Attention Deficit Hyperactivity Disorder for example may be considered to have special needs. The Inclusive Cell is there to help such students to ensure they also have a fulfilling college experience.
